Hello,

Our office has been receiving numerous complaints about the conditions of the street in front of the Refresh Spot. I previously put in a request to have the HOPE pay this location a visit. Is there any way we can have the HOPE team ask the folks living in this encampment to move so they are not blocking access to the driveway?

Please advise.

Thank you,
Edna

Dear Officers,

We have been continually asking the tents in front of our business to relocate all their belongings at least during business hours. However, they have not been cooperative.

We had to call in recently because one of them started using a sledgehammer and blot cutter to break into the city light's power. He had all the tools that would make it very easy to break into the building.

We also recently had someone cut and take a part of our razor wires.

During the day, they hold a mini barber shop and leave all the trash in the street. In addition, they continue to dump all the trash next to the big tree in front and use it as their restroom. This is super unsanitary.

The lady in the tent right in front of our main gate gets very aggressive when we ask her to move. She has been blocking our gate main entrance, our second entrance for bigger trucks, mailbox, etc. She's also scared of our mailman(woman) several times.

It's so tough for us.

Please help us!!
